

Witnesses of the New Testament

I. Indicate whether the following statements are true or false:

- T 1. Soteriology is the study of Christ's work as Redeemer.
- T 2. In the Old Testament, remarriage after divorce was permitted to the Jews.
- F 3. The eight Beatitudes are recorded in the Gospel according to St. Luke.
- F 4. The moral teaching of Christ is not prescriptive; it is a series of counsels.
- F 5. Every human being is a natural son of God.
- T 6. Other religions besides the Christian, also believe in some form of incarnation of the deity.
- T 7. The miracles of Christ are the basic evidence for the validity of His claim to being one with the Father.
- F 8. The Gospel of St. Mark was mainly written to show that Christ is the merciful Savior of mankind.
- F 9. The main theme of St. Paul's Christology is to show that Christ is the LOGOS, the word of God became man.
- F 10. St. Paul's classic teaching on charity occurs in the Second Letter to the Corinthians.

II. Match the terms in the following parallel columns:

- | | | |
|---------------|-----------------|-------------------|
