QUIZ on "The Human Soul", St. Thomas Aquinas, Summa Theologica, Question 90

I. Indicate whether the following are TRUE or FALSE:

- F 1. The human soul is part of God's substance.  
F 2. God and the human mind are the same.  
F 3. God made the human soul not out of nothing but from Himself.  
F 4. The human soul evolved naturally from matter.  
F 5. There is only one soul in the world.  
T 6. Every human soul is individually created by God out of nothing.  
F 7. Every human soul is identical when created.  
F 8. The soul only gradually becomes different as a human being grows and develops.  
T 9. Every human soul is distinct and different from the moment of its creation.  
T 10. The human soul is created by God at the moment a child is conceived.  
T 11. Human souls are incorporeal.  
T 12. The human soul is spiritual and, once created, independent of matter for its existence.  
T 13. Adam's soul was created by God immediately when Adam came into existence.  
F 14. The soul of Adam was created before Adam's body was made.  
F 15. According to St. Thomas, Adam's body was immediately created by God.  
T 16. St. Augustine held that Adam's body somehow evolved from a lower species.  
T 17. According to St. Thomas, defects in the human soul are due to defects in the body with which the soul is united.  
F 18. The only difference between a human and an animal body is that the human body is animated by a rational soul.  
T 19. God made our bodies different from animal bodies because the function of a human body is different.  
T 20. Genesis shows that the rest of creation was made for the sake of man.
