Adorer Attendance History Program

Install Instructions for WIN 95/98, WIN 3.1 or DOS

WIN 95/98

1. In Windows Explorer:

   a. Open the folder where the program was downloaded.

   b. Double click on INSTALL.EXE to start the installation process.

2. Choose one of the following options:

   Option A (default): Click the Unzip button to install into the
      default drive (C:) and folder (ADHIST).

   Option B: Enter the drive and/or folder name (8 characters or less)
      that you choose and then click the Unzip button.

3. Click OK to the message that the files were unzipped successfully.

4. In Notepad: Click FILE and then click PRINT to print the
   README.TXT (program instructions) for later reference.

5. Create a shortcut on the desktop:

   a. Right click on an open area of the desktop.

   b. Click NEW and then click SHORTCUT.

   c. In "Command Line" type: C:\ADHIST\ADHST1.BAT if you
      installed to the default folder (see 2. Option A), or enter the drive
      and/or folder name that you chose (see 2. Option B).

   d. Click the NEXT button.

   e. In "Select a Name for the Shortcut" type: Adorer Attendance
      or a name of your choosing.

   f. Click the FINISH button.

WIN 3.1

1. In File Manager:

    a. Open the directory where the program was downloaded.

    b. Double click on INSTALL.EXE to start the installation process.

2. Choose one of the following options:

    Option A (default): Click the Unzip button to install into the
          default drive (C:) and directory (ADHIST).

    Option B: Enter the drive and/or directory name that you choose and
          then click the Unzip button.

3. Click OK to the message that the files were unzipped successfully.

4. In Notepad: Click FILE and then click PRINT to print the
    README.TXT (program instructions) for later reference.

5. Create a Program Icon:

    a. Select the group window where you want to install the program
       icon.

    b. Click FILE and then click NEW and then click Program Item and
       then click OK.

    c. In "Description" type: Adorer Attendance

    d. In "Command Line" type: ADHST1.BAT

    e. In "Working Directory" type: C:\ADHIST if you installed to
       the default directory (see 2. Option A), or enter the drive
       and/or directory name that you chose (see 2. Option B).

    f. Click OK.

DOS

1. Create the directory where the program will reside.

    MD \ADHIST

2. Change to that directory.

    CD \ADHIST

3. Copy the downloaded program (INSTALL.EXE) into this directory.

4. Type INSTALL to start the installation process.

5. Type Y to unzip the files.

6. Type COPY README.TXT PRN to print the program instructions.

7. Type ADHST1 to run the program.
