Every year a ceremony known as The Ride (or Procession) of the Blood, in honor of the relic, was organized at Weingarten.

A letter from 1278, dated March 1st, in which Albert, abbot of the Benedictine Monastery of Sant’Andrea in Mantua, confirms the Mantuan origin of the relic of the Precious Blood of Jesus, preserved in the monastery at Weingarten.

Relics of the Most Precious Blood of Jesus

The relic of the Precious Blood of Jesus is preserved in the Basilica of Sant’Andrea in Mantua.

A monstrance containing some relics of the Passion of Christ, Kunsthistorisches Museum, Vienna

Reliquary containing the soil on which the Most Precious Blood of Christ fell from the Cross, Czestochowa, Poland
