DESERTO
ORIENTALE

Nilo

A stylized map of Egypt in a light beige color. A dark teal line represents the Nile river, flowing from the top center down to the bottom right. The map is divided into two main regions by the river: the Western Desert to the left and the Eastern Desert to the right. The Red Sea is visible on the right side of the map. The Nile is labeled with the word 'Nilo' in a teal, italicized font.
