Apparitions of the Virgin Mary in LOURDES

FRANCE, 1858

Apparitions: The First, Thursday, February 11th, 1858
Three hundred people are present and Bernadette says, "I told the Virgin to go and drink from the font. I heard only a little steady voice tell her not to drink. For a second, she made me see that the green grass was brown over the spring. Her voice disapparised." Then she says that she "never knew that she was without my voice and I was not strong enough to drink."

Apparitions: The Second, Monday, March 3rd, 1858
More than 1,000 people are gathered in the town square. The Virgin tells them, "And the water is from the spring below."

Some miracles of Lourdes

- Healing of diseases
